## NachtKapers (Privateers of the Night) - fact sheet

### General

During the night of June 13 to June 14, 2015, everything will be different in Hoorn. The 'NachtKapers' (*Privateers of the Night*) event will take place in honour of the year of Cape Horn. It will be a night in which cultural institutions, theatre producers, musicians, companies, and residents of Hoorn will 'privateer' the city for one night and take you on a beautiful trip down historical memory lane; from the exploratory expedition of yore to today's spirit of commerce. At more than 20 locations in Hoorn, you will meet historical figures, immerse yourself in old and new stories, and wander through narrow streets, past theatre, dance, and art. It is a voyage of discovery that deals with the heroes of yore - with the heroes of today serving as ambassadors. Museums will open their doors after closing hours and allow heroes from Hoorn to give you a warm welcome. Restaurants will offer special menus and dishes and provide you with the opportunity to taste the salty flavours of the sea. NachtKapers is an all-encompassing adventure for anyone who wants to see and experience Hoorn, as well as its history in a different way.

### Programme

The programme is still being developed, but more and more inspiring locations are joining NachtKapers. The water, the dock area, and the historical town centre will shine in all their splendour. Hoorn is full of talent and versatility. You can stumble across one of the ambassadors of today's Hoorn, including Onno van Veldhuizen (mayor), Boxie (artist), Sepehr Maghsoudi (fashion designer), Wouter Hakhoff (musician) and Femke Lakerveld (actress), Ad Geerdink (museum director), and Robert-Jan Knook (newsreader).
